

TEACH ONE REACH ONE

Tips for praying with kids:

1. Explain to your child praying is talking to God about everything.
2. Let your child use his/her own words when praying.
3. Teach your child prayers do not have to be long or fancy.
4. Have your child change something or add something new every time he/she prays, so the prayer is a conversation.
5. Help your child keep a prayer notebook. Write down the prayers, the date and what God does.
6. Teach Your child God can answer a prayer with "Yes", "No" or "Wait".
7. Have your child ask God to forgive him/her in every prayer.
8. Teach your child to sometimes use Bible verses as prayers or ideas for prayers.
9. Remind your child to praise and thank God in every prayer.
