

TEACH ONE REACH ONE

Tips For Raising Grateful Kids:

1

Teach your child every good thing is from God.

2

Have your child thank God every time he/she prays.

3

Do not let your kids hang out in toy stores or other places that help them only think about what they want and do not own.

4

Teach your child not everyone has as many blessings as your family does.

5

Help your child notice things for which they should be grateful.

6

Have your child thank teachers at the end of every class.

7

Serve others with your child.

8

Encourage your child to think more about giving and serving than getting and being served.

9

At the end of the day, have your child list at least three things that happened that day for which they are grateful to God.
