

6. What are your hobbies?

7. When you read books or articles, what topics are the most interesting to you?

8. What are some things you do well, but don't necessarily consider a talent?

9. If you could learn to do something new, what would it be?

10. What is something you love doing, but believe you don't really do it well?

11. If someone asks you for help or advice, in what areas do they usually need you?
